'made in Holland'

More than 60% of our collection is produced in Holland and FSC® certified. The international FSC-label ensures that raw materials for wooden products are being sourced from responsibly managed forests. These products are indicated with the FSC-label in this brochure. The production in Holland is a distinctive advantage for us to secure a high product quality and to reduce distribution costs. The Dutch craftsmanship, pure materials and unique designs are the strengths of WOOD!

The mark of responsible forestry
